Just into the new year and already SLROC is seeing
change!

After a few fantastic years, Jane has decided that
she can no longer commit to creating Nooze, and
therefore I have taken over from her. I want to take
this opportunity to thank Jane for all the work she
has put into keeping Nooze alive!

For those who don't know me, I became a full
member three years ago after being a junior
member since I was 8 years old. My dad has owned
Land Rovers ever since I can remember, and has
now turned soft, owning an automatic L322 Rangie.
Unfortunately, I don't own a Land Rover yet and
doubt my fiesta would make it much past the car
park at Newbourne, however we never know what
might happen one day!

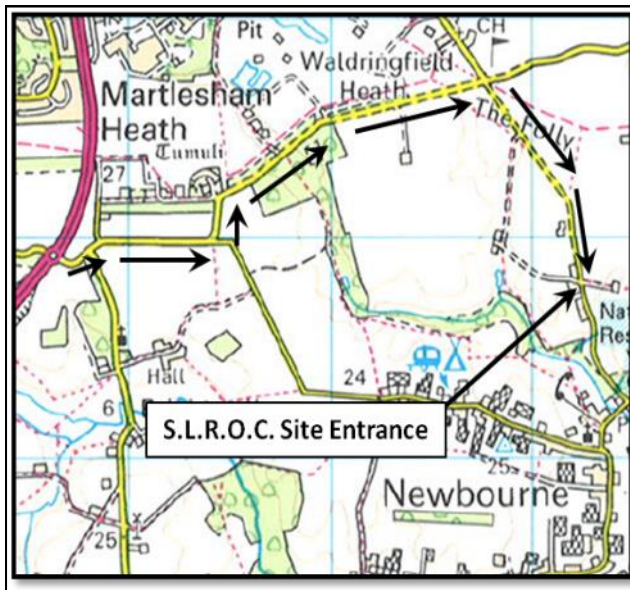

So, this is my first plea for help! I like to consider
myself fairly creative, but there isn't much I can do
with blank pages! I would be extremely grateful for
any input I receive from you to help keep Nooze
going strong. Any thing would be brilliant, whether it
is enough for half a page or more, it really doesn't
matter! So if you're planning on modifying your
Landy, going on a trip or have bought something
recently and can write a 'Tried and Tested' article for
other members benefits then that would be perfect!
Also, if you attend any events and take any pictures,
it would be amazing if you could send them to me as
it is always nice to include some with articles, and
they might even make it onto the front cover!

This month contains further appreciative notes from
our 2018 charities and the photos of them receiving
their cheques at the Mince Pie Driving Day. There is
also information on the Single Vehicle Winch Trial
held near the end of the month. We also have the
AGM this month, in which yearly reports are given
and election of committee members commences.
There is also an update from Chris regarding the
club shop. There is also a new discount code for
Bearnmach orders, which benefits both you and the
club once used, as not only do you get 10%
discount, the club also receives 10% of the order
value as cashback!

Hope to see you all soon,

Amy

Directions to the Newbourne club site

The club has its very own off-road driving site which we use monthly for weekend events, and competitions. The site is situated to the east of Ipswich, near to the village of Newbourne. Strict rules must be adhered to when using the site, to protect the safety of all users. Please keep your speed down around the village, and especially on the access track which has a 5mph limit. See you there!

Chat From the Chair

Have you noticed yet? We have a new Nooze Editor! After two years of creating your monthly read, Jane has handed the reigns over to Amy Berwick and I trust you'll all join me in welcoming her on board with the job of Nooze editor. Welcome Amy, I hope you enjoy the job as much as both Jane and I had done over the last 5 years!

The other thing that needs mentioning is a change to the annual run of events in that the clubs AGM this year is to be held at the February driving day instead of the March driving day. It's all my fault [of course] as I'll be unavailable in March and the consensus was to move the AGM forward by a month. It still falls within 'acceptable dates' for such a meeting and just means that you'll find out about things a month early. As well as the usual reports from the club treasurer, membership secretary and a review of the year from yours truly, the AGM is the time when the committee and all of the important helpers for the coming year are confirmed by you and the plans for the upcoming year are confirmed, along with which charities we'll be supporting. As someone once said, "These things don't just run themselves you know!" and they were right, it does take effort to make things happen in the way they do. So, if you would like to find out more, ask anyone on the committee how you can get involved and come along to the AGM to make your voice heard! The arrangements and agenda for the AGM are in Nooze, but as a quick heads up the meeting will be at Newbourne during the lunch break of the February Driving day on the 17th.

Speaking of moving forward, amid all of the doom and gloom concerning job numbers being reduced at Jaguar Land Rover because of the slowdown in many foreign markets and particularly China, I've noticed that the 'spy shots' and 'spy videos' are again beginning to surface for the new Defender model. Many of you will remember the DC100 that was bandied about in the press a few years ago and the reception that received but any Defender replacement has a very tough act to follow. The traditionalists want something that is exactly like the old Defender (and nothing else will do). Land Rover needs something that fills both the farm vehicle and the posh country land owner brief that will be an instant hit and justify its development and the buying public want...well what do the buying public want? Probably (and I will wash my mouth out after this) a Toyota Hilux with a Land Rover badge on it. Who really knows? I just hope it's not just another jelly mould 4x4 like the Discovery 5 and the Velar, something we as Land Rover owners can be proud of and hopefully if they live up to the Defender name and have a modicum of reliability over the years, something we can aspire to own when they come into our price range! Only time will tell I suppose.

All the best...

Andy.

Thank you from Bike Active

This is to say a very big "Thank You" on behalf of all of us volunteers, the Carers, and of course, our splendid disabled cyclists.

Andy mentioned that you would prefer that the fantastic Donation, the largest in my 25 years of fundraising for the cycling, be used for the ongoing costs that we pay. This suits us admirably, and will pay for our Insurance, Membership and storage at Alton Water, and spares and repairs etc, for several years to come.

Please give our thanks to all of your Members, and particularly Simon, whose chance meeting began our contact with SLROC, to Jane and Andy who helped initiate us into the intricacies of what you do, and of course, to yourself, for guiding us through all the sometimes weird but always wonderful ways of the Venues.

After the last event at Henham I left both exhilarated and exhausted, but it was a Summer I won't forget.

As I said on Sunday, "The things you do are amazing".

So, once again, "Thank You", and you are all very welcome to come and visit us at Alton Water on any Friday. We would be delighted to see you.

With best wishes,
Peter

Thanks so much for your support

Dear Suffolk Land Rover Owners Club,

We'd like to say a huge thank you for raising an incredible £8000 for Parkinson's UK throughout 2018. Choosing to support us as your charity of the year was a great honour, please find enclosed a certificate to show our gratitude!

Please pass on our thanks to every one of those kind, lovely people who contributed and supported you. We rely on the support of people like you to dream up fab fundraising events and smash those sponsorship targets! In fact, our work completely depends on donations like these, so you're helping us continue our important work finding a cure and improving life for everyone with Parkinson's.

Every hour, two people in the UK are told they have Parkinson's – and, because we're here, no one has to face it alone. We bring people with Parkinson's, and their carers and families together via our website, network of local groups and free, confidential helpline. Specialist nurses, supporters and staff provide information and training on every aspect of the condition.

We'd love to keep in touch about our upcoming fundraising opportunities and catch up on how you're raising money for us. So please check in every now and again to tell us what you're up to.

Thanks again for your totally brilliant support. Together, we can find a cure and improve life for everyone affected by Parkinson's.

Best wishes,

Single Vehicle Winch Challenge 24th February 2019 @ Snugg's Pit

Snugg's Pit is a heavily wooded site and has much to offer drivers who enjoy powering up long hills and dodging between trees, there's also open areas of soil heaps and streams. With trees at every turn this is a fantastic venue for this type of winch event.

Drivers of vehicles must wear an MSA approved helmet - without exception. Basically helmets must have a MSA sticker or equivalent SNELL sticker - 2005 or above. Helmets will be checked as part of scrutineering.

Each team will consist of two team members and one vehicle, the trial will be run in two classes "Class One" for trucks with multiple winches and additional traction aides and "Class Two" for vehicles with single front mounted winches and no additional traction aides.

Pre Booking for this event is via the Club Forum , Facebook or compsec@slroc.uk . Remember pre-booking entrance fee £25 or Arrive and drive £30, please remember ALL competitors must be club members. If you aren't a club

member we now offer 1 day membership for £5 to enable you to compete in trials, this doesn't include events at our Newbourne site. (pre-booking closes 2 weeks prior to the event to allow time to arrange the event insurance)

The day will begin at 9am for Scrutineering, followed by a prompt 10 am start (sorry, no late entries) and be prepared for a full day's winching aiming to finish at around 4pm.

Directions: Take the A131 or A134 to Sudbury and head for Ballingdon at the crossroads with the 'The Cyclist' Public house turn onto Bulmer Road heading for "The Belchamps" Follow the road for about half a mile and then turn right onto "Finch Hill" follow this road over a small bridge and then follow the road round the sharp left hand bend. Continue on past the turn for Foxearth and take the next turn on the right signposted "Belchamps". The entrance to Snugg's Pit is about half a mile on the right. OS sheet 155 Grid ref TL 826 421

Membership

AJ reported that Si & Jane Barham would 'baby sit' the role of membership over the next few months. During this time Niki Broadley would be given the opportunity to shadow the role with the view to taking over once the busy period is over.

Finance report No report available

Nooze

Amy Berwick has volunteered to take over as editor of Nooze. Initially it is intended that a 'full' Nooze will be published once a quarter with Nooze Lite being published each month in between. Amy needs to be provided with the necessary computer and software. Obviously, it will take a while for Amy to get up and running and Jane has offered her help. The Committee recognise the importance of Nooze and wish Amy every success in this important role.

Safety & Training

PC confirmed the three training days for next year.

Shows Nominations for next years charities are as follows.

Lavender Trust, Foxhall day centre CC No.1171154

Lighthouse, CC No.1069296

Over the Rainbow, CC No.1163971

Competition

RG Reported a successful ladies Tyro with 7 competitors taking part.

The next trial being the Single Vehicle Winch Trial at Snuggs Pit, to be set by Ralph.

As yet there has been no one sign up for the 25 November CCVT at Snuggs Pit.

Any Other Business

AJ reported that there had been a very positive response to the 'Jobs to be done' list displayed at the last driving day. As a result, Toby Parker has offered his help with matters around the Club site. PC will be coordinating help from Ralph, Tony and Tim to get the rear cabin roof repaired. Tony Reilly has offered to help to mend the driveway holes. It was agreed that the 'Jobs to be Done' list should be displayed at each event at the Club and that displaying the list would be the responsibility of the CoC. However, getting the list of jobs to the CoC would fall to the Committee.

Sarah Berwick has asked to join the Committee as 'officer without portfolio' Proposed AJ Seconded PC, passed unanimously.

Meeting closed 21.45

SLROC CLUB SHOP

Dear members,

A short update following on from last year. As mentioned last year prices haven't changed for about 6 years, they have only gone up by a few pounds so hopefully you all feel they are still good value for money and any small profit goes back into the running of the club.

Recovery gear still seems the most popular items, however I tend not to hold too much stock as storage and transporting it all can be an issue. Therefore if you would like any shop items please give me a call or send an email well in advance so I can make sure I have them available for the next driving day. Also, as I make the bridal and tow ropes up to order I can make them any length, make loop eyes bigger or even splice in yellow winch hooks, if you want something slightly different just let me know.

Can I also remind members that clothing orders must be paid in advance before an order is placed. Sadly I have a growing quantity of stock as a result of ordered clothing not being paid for and collected. To that end I will start a photo album on the members FaceBook Page and will photograph all the Club Clothing currently in stock. These items will be available at the old prices and will be available on a first come first served basis.

Ordering of Clothing will endeavour to remain on a quarterly basis but if I don't have at least 10 items then I'll roll the order into the next quarter. Dates can be found below.

That's all for now, but if you need anything give me a call 07771588298. Or email me at chrisandheidi9@btinternet.com

If you have any mail you wish to pass on to a Committee Member then it can be sent via any of the published addresses above. The Committee also respects the privacy of each and every Club member, and to that end, we do not give out details of Club members to any other organisation.

E-Nooze

We have been emailing Nooze and sending out printed copies to members for some time now. Having Nooze sent to you through email as opposed to having it posted can save the club money and can mean that you receive the Nooze sooner than when it is sent to printers. If you would like to receive E-Nooze instead of receiving it through the post, or are a joint member and would like it emailed to yourself just drop me an email to nooze@slroc.uk.com and I can sort the rest!

Many thanks, Amy

Important Information

On entering the access lane to the site, please adhere to the **5mph** speed limit. Failure to do so, may result in removal from the site with no refund of fees.

If only watching or socialising, please turn right to park in the rear car park. Do not park in the main car park or proceed to signing-on/scrutineering.

Trailers to be parked in designated area in main parking area.

If taking part in the event please stop at the signing-on hut first: For insurance purposes, membership cards **must** be available for inspection at **any** club driving event, if requested. Only members holding a full UK driving licence* and who have **signed on**, may drive at any club event. *With the exception of 'Tyro Trials' where Supplementary Regulations may allow drivers of 13 years and upwards.

Then continue to scrutineering: **All** vehicles must be scrutineered prior to driving onto the courses. Minimum requirements for recovery points are two -points at the front with bridle, and manufacturer's tow hitch at the rear or two 'Jates' and bridle. **Please fit bridle before scrutineering.**

Seat belts (inc. lap-belts) must be fitted and worn by all occupants.

(No belt, no ride. This is for your own safety).

Once signed-on and scrutineered, you may continue to the parking area.

All loose items must be removed from the vehicle before going on the courses. Vehicles will be checked for these items and stickers.

15 mph site speed limit

No driving along the footpath at the bottom of the site, except at the designated crossing point for access to and from the Woodland Course.

All recoveries under the supervision, and at the discretion of a Marshal. All facets of winching operations may only be carried out by persons aged 18 and over, including rigging.

Pedestrians must not walk on the courses, only the access roads- this is for your own safety.

Children (under 16's) remain the sole responsibility of parents/carers at all times. Children must wear a Hi-Viz vest whilst outside a vehicle in all areas. Children must be accompanied by an adult in all active vehicle movement areas.

Dogs must be kept on leads and under proper control at all times.

It is the responsibility of the owner to clear up after your dog(s).

Do not drive roped-off areas.

Do not remove ropes or posts unless instructed by a Marshal.

Strictly no drinking and driving. No motorcycles or quad bikes.

No tractor, Implement or overly-aggressive treaded tyres.

Please take all your litter home with you.

The Marshal's decision is final
